

Service Provider 2017 Q&A

Q1: I am excited for the bidders conference Monday, however, I don't see where we can ask questions, a contact or a deadline? Will that all be done at the conference or will you announce that then?

A1: You can submit questions during the bidders conference or you can submit them anytime to angie.sheppard@workonesw.org. We can take questions up to submittal. We post all questions and their answers to our web site.
