

- If the \$360,000 is not included in the budget for the JAG positions and they are the responsibility of the contractor to payroll, is the budget then \$2,360,000?

A: This RFP is for WIOA funds only, \$2,000,000. The awarding contractor will receive the additional funds granted for JAG in a separate contract. JAG positions are included in the organizational chart because the JAG positions are shared by the WIOA and JAG contracts.
