

The Vanderburgh and Gibson County events targets 8<sup>th</sup> graders to show them the careers available in our local area. Eighth graders begin planning their high school diploma track during the first semester of the school year. This also includes figuring their schedule so that they may attend the Career and Technical Center, if so desired, their junior and senior years. For students interested in STEM careers, the Tour of Opportunity is an exciting time for them to see firsthand what careers are available. This is also a great way for companies to begin building a workforce pipeline.

Businesses to provide:

- Tour of facility
- Company information
- Career pathways available in the industry
- Skills / degrees /credentials needed

Schedule (DRAFT):

- The first group of students arrive at facility approximately 8:45am. Students leave at 10:00am for the next stop on the tour.
- A new group of students arrive at 10:15am and leave at 11:45am.  
*We do ask the company to provide a lunch to this group. Lunch can be simple: pizza, deli sandwich, etc...*
- The last group will arrive at 12:00pm and leave at 1:15pm.
